

After-School Language Classes At The Arlington Public Schools

GoLingo! integrates music and movement into **Spanish, French, Italian, and Mandarin Chinese** language classes. Our program is based on the principles of child development and language learning. By introducing vocabulary and grammar through skits, songs, art, and stories, we make learning fun. Our non-profit organization offers 12 weeks of one hour after-school enrichment programming. All materials are included. We hope your child will join us on our journey through language!

Course Descriptions:

Beginner Spanish / French / Italian / Chinese

New language learners participate in a wide variety of fun and active games and activities. Students “travel” to a foreign country where new grammar and vocabulary serve as a vehicle for experiencing that nation’s culture, cuisine, music, drama and visual arts. Students learn common phrases and expressions to use in daily communication, such as greetings, self-descriptions, and likes and dislikes.

Intermediate Spanish / French / Italian / Chinese

More experienced language learners will learn to create new and more complex sentences using their ever-expanding vocabularies. Students will learn to ask and answer questions, express their needs and emotions, and exchange information and knowledge. We will also work on reading and writing in the target language, including writing and illustrating our own short stories. Art, music, and movement continue to be important components of our curriculum.

PLEASE NOTE: Chinese language students will begin learning to recognize and write characters in the beginner class and will continue to work on individual characters in the intermediate class.

TUITION INCLUDES A WORKBOOK, A MUSIC CD, AND A SONG BOOK.
